packland@cs.uw.edu (206) 890-8507
Graduating in June 2017.

Education

University of Washington , Seattle, WA	<i>2015–2016</i>
<ul style="list-style-type: none">– Exchange, Computer Science, GPA: 3.8/4.0– Highly competitive selection process. Only one student from my university admitted every year.	
KTH Royal Institute of Technology , Stockholm, Sweden	<i>2012–2017</i>
<ul style="list-style-type: none">– BS/MS, Computer Science, GPA: 4.8/5.0	

Experience

Yelp, Software Engineering Intern , San Francisco, CA	<i>Summer 2016</i>
<ul style="list-style-type: none">– Skills:–	
Scania, Software Engineering Intern , Södertälje, Sweden	<i>Summer 2015</i>
<ul style="list-style-type: none">– Continued developing project from the previous year.– Implemented requests from teams within the company.– Added several new features including digital envelope cryptography using open-ssl. <p>Skills: C, C++, Cryptography, MATLAB.</p>	
KTH Royal Institute of Technology, Teaching Assistant , Stockholm, Sweden	<i>2013–2015</i>
<ul style="list-style-type: none">– Teaching programming and algorithms to 15 computer-science students.– Grading weekly assignments and supervising month-long project at the end of the course. <p>Skills: Java, Go, Theoretical computer science.</p>	
Scania, Software Engineering Intern , Södertälje, Sweden	<i>Summer 2014</i>
<ul style="list-style-type: none">– Developed software for logging road and vehicle data in trucks.– The software replaced commercial software saving thousands of dollars. <p>Skills: C, C#, Agile development.</p>	

Projects

More projects at <http://www.csc.kth.se/~packland>

Compiler in Scala , project course	<i>Scala</i>
<ul style="list-style-type: none">– Compiles a subset of Scala to JVM bytecode.– Handwritten lexer, parser, name analyzer and type checker.– Supports Java-like generics through type erasure.– Received an A, the highest grade.	
Chromium , open source web browser	<i>C++</i>
<ul style="list-style-type: none">– Currently working on good-first-bugs.– Looking to work on more complex issues as I get more experience.	
Picture-of-pictures , personal project	<i>Ruby, JavaScript</i>
<ul style="list-style-type: none">– Replaces each pixel in an image with an image whose dominant color is closest to the color of the pixel.– Choosing better data structures reduced running time by 90%.	

Programming

Main: **Java (6 years)**, **Android (2 years)**, **C++ (2 years)** Other: Python, JavaScript, Scala, Ruby, C#, Go

Leadership Experience

Head of Sponsor, International Reception, KTH	<i>2014–2014</i>
<ul style="list-style-type: none">– Spent six months together with 13 other students planning the international reception.– Welcomed over 2000 students during four arrival days and planned a month of activities.	
President of the Education Committee, KTH	<i>2013–2014</i>
<ul style="list-style-type: none">– Nominated by my predecessor because of my involvement the previous year.– Meetings with students and faculty to discuss courses and the computer science department.	

Awards

Henrik Göransson Sandviken Scholarship	<i>2015</i>
<ul style="list-style-type: none">– Awarded scholarship for academic achievements at KTH Royal Institute of Technology.– Selection based on GPA. Awarded to 90 students in total from all majors at the university.	

Other

Clubs: UW photography club, education committee, business-relations group, international reception.
Interests: photography, guitar.
